CUMULATIVE TABLE OF CONTENTS
VOLUME 12, 1991

PREVENTION OF VOICE DISORDERS
Number 1, February 1991

Preventable and Nonpreventable Causes of Voice Disorders, *Dee R. Child, M.S., and Thomas S. Johnson, Ph.D.*, 1
Principles and Practices of Prevention as Applied to Voice Disorders, *Thomas S. Johnson, Ph.D.*, 14
Toward Models for National Issues in the Prevention of Voice Disorders, *R.E. Stone, Ph.D.*, 23
An Exemplary Preventative Voice Program for Educators, *Tiphanie Jo Kaufman, M.S., and Thomas S. Johnson, Ph.D.*, 40
Introduction to the Prevention and Epidemiology of Voice Disorders, *Michael Marge, Ed.D.*, 49

CURRENT TRENDS IN VOICE EVALUATION
Number 2, May 1991

Transoral and Transnasal Laryngeal Endoscopy, *Thomas L. Watterson, Ph.D., and Stephen C. McFarlane, Ph.D.*, 77
Fundamental Frequency and Perturbation Measurement, *Michael P. Karnell, Ph.D.*, 88
Phonatory Function Analyzer, *Earlene T. Paynter, Ph.D.*, 98
Clinical Use of the Laryngograph and the Electroglottogram (EGG) with Voice-Disordered Patients, *Stephen C. McFarlane, Ph.D., and Thomas L. Watterson, Ph.D.*, 108
Spectral Noise, *Floyd W. Emanuel, Ph.D.*, 115
VOT as an Indirect Measure of Laryngeal Function, *Ann A. Tyler, Ph.D., and Thomas L. Watterson, Ph.D.*, 131
Voice Assessment Without Instrumentation, *Robert W. Blakeley, Ph.D.*, 142
Evaluation and Treatment of the Professional Voice with Minimal Instrumentation, *Alfred S. Lavorato, Ph.D.*, 154

SWALLOWING DISORDERS
Number 3, August 1991

The Neurology of Swallowing, *Adrienne L. Perlman, Ph.D.*, 171
Instrumental Procedures for Dysphagia Diagnosis, *Barbara C. Sonies, Ph.D.*, 185
Managing the Complications of Aspiration in Dysphagic Adults, *Susan E. Langmore, Ph.D.*, 199
Developing a Comprehensive Dysphagia Program, *Bradley F. Hutchins, M.A., CCC-SLP, and Jocelyn L. Giancarlo, M.S., CCC-SLP*, 209
Developing a Dysphagia Dietary Program, *Janice F. Mirro, M.A., CCC-SLP, and Camellia Patey, M.S., R.D., L.D.N.*, 218
Developing Quality Assurance Monitors for Dysphagia: Continuous Quality Improvement, *Anita S. Halper, M.A., CCC-SLP, and Leora R. Cherney, Ph.D., CCC-SLP*, 228
Development of a Competency-Based Training Model for Dysphagia Management in a Medical Setting, *Joan Kelly Arsenault, M.A., CCC-SLP, and Julie Atwood, M.Ed., CCC-SLP, Fellow*, 236
Comprehensive Clinical Examination of Oropharyngeal Swallowing Function: Veterans Administration Procedure, *The VA Task Force on Dysphagia—Adrienne Perlman, Ph.D., Chair, Susan Langmore, Ph.D., Frank Milianti, Ph.D., Robert Miller, Ph.D., R. Hank Mills, Ph.D., and Pam Zenner, M.A.*, 246
Treatment Strategies for Adult Neurogenic Dysphagia, *Patricia Linden-Castelli, M.A., CCC-SLP*, 255

STUTTERING: CHALLENGES OF THERAPY
Number 4, November 1991

Family Intervention in Stuttering Therapy, *A. R. Mallard, Ph.D.*, 265
The Assessment and Treatment of the School-Age Stutterer, *Martin R. Adams, Ph.D.*, 279
Therapy for School-Age Children, *Deborah Kully, M.S., and Einer Boberg, Ph.D.*, 291
An Integration of Contemporary Therapies with School-Age Children, *Theodore J. Peters, Ph.D.*, 301
Intervention with School-Age Stutterers: A Parent-Child Fluency Group Approach, *Ellen M. Kelly, Ph.D., CCC-SLP, and Edward G. Conture, Ph.D., CCC-SLP*, 309
Therapy for Elementary School-Age Children, *Hugo Gregory, Ph.D.*, 323
Experimental Analysis and Evolution of a Stuttering Therapy, *Roger J. Ingham, Ph.D.*, 336
Making Progress During and After Treatment, *Walter H. Manning, Ph.D.*, 349
Cumulative Table of Contents and Author Index, Volume 12, 355
